To our brethren in Christ,

The congregation at Heritage Baptist Church recommends to you Pastor and Myra Wright as missionary candidates. It is our belief that God has called and equipped both Pastor and Myra to the ministry of furlough replacement. They have faithfully served God's church here in Roscoe, Illinois for 10 years and we have come to love them and will miss their ministry.

It is our expectation and prayer that Pastor and Myra will be a blessing to the churches and people to whom they minister and to the missionaries while the missionary is home on furlough. We believe that they will challenge each church to grow and upon the return of the missionary they will find a church that has moved forward during their absence.

We believe that Pastor Wright has a gift for teaching and is a faithful student rightly dividing the Word of God. It is our expectation that he will be able to teach people so that when the missionary returns from furlough he can build on the solid teaching during his absence.

Pastor and Myra are hard workers and are able to encourage people to participate in the ministry. Each year our church has a Christmas Ministry to our community and almost all of the people in our church participate in this two day event that requires weeks of preparation. Another outreach he has initiated and coordinated is an annual spring volleyball tournament that ministers to several hundred teens and well over 30 church youth groups. He has proved to our church that God is using him to reach out to the community in which God has placed him.

Since coming to our community 10 years ago he has become the chaplain for our local police and fire departments showing to us that he will not sit and wait for people to come to him, but will go out looking for an opportunity to minister and meet people, especially people that are hurting.

Pastor and Myra Wright have the support and blessing of Heritage Baptist Church in Roscoe in this ministry to which we believe God has called them and it is our hope and prayer that God will lead you to participate in their ministry as well.

Sincerely,

  
Timothy A. Olsen
